**"THE ONE WHERE THEY
FEEL LUCKY"**

Hello FRIENDS! March is here, spring is coming! Bring on the warmer weather and... PCS orders. Wahoo, for all your friends coming to Quantico and having a great time with us here at QSSC.

We have so much to offer in the upcoming months. From an incredible tour of 12th Aviation Battalion, to grabbing a drink of any kind with Friends, to sharing the thrill of a good book, to our joint events with sister clubs, there is no shortage of ways to spend time with each other.

I've had so much fun seeing many of you in person over the past few weeks, and I hope to see you more.

All the best from me to you!

-Adi

THE ONE WHERE WE SEE WHAT'S COOKING

Italian White Bean Soup – Gluten & Dairy Free

My favorite new soup recipe! A little bit of Zuppa Toscana and a little bit of coconut!

The use of coconut milk gives a creaminess without the heaviness of cream. It's a winner!

I've adapted the recipe from the one found here at [The Bettered Blondie](#).

Bon appetit!

INGREDIENTS

1 Tbls Olive Oil
1 lb Italian Sausage ground, mild or spicy
1 Yellow Onion small, diced
3 cloves Garlic minced
3 Carrots peeled & diced
2 stalks Celery diced
4 cups Chicken Broth
1 tsp Salt
1/4 tsp Crushed Red Pepper Flakes
2 Cans of White Beans (drained) 14.5 oz, cannellini
2 cups Spinach fresh
1 sprig Rosemary (or ground dried to taste)
2 Bay Leaves
1 can Full Fat Coconut Milk

INSTRUCTIONS

- In a soup pot, heat oil over medium heat and cook the ground Italian sausage until mostly cooked through.
- Then add in the onion, carrots, garlic and celery. Cook for 3 minutes until the onions are translucent and the carrots are slightly tender.
- Add in the chicken broth, salt, pepper flakes, beans, rosemary and bay leaves. Bring to a boil and then reduce to a simmer. Let simmer for 15 minutes.
- Discard rosemary and bay leaves. Stir in the coconut milk and spinach. Remove from heat and serve.
